Hold in your hand a tiny acorn that will someday become a giant oak. Sniff a wildflower and notice the delicate curl of a single petal. Observe the intricate design of a butterfly's wings as it floats effortlessly in the sky and settles on your finger. Our amazing God is not only the Creator of all things, but He also cares about His creation, right down to the tiniest detail. And the Bible tells us that people are the most significant part of that creation. God created you and knows every detail about you—right down to the design of your fingerprints and the number of hairs on your head. God cares about everything that happens to you.

# DROP OFF POLICY

Safety is our number one concern at VBS. Please walk your child to the covered drive thru and check them in each morning. Please see that they walk into the foyer.

# PICK-UP POLICY

Please park and come into the building to pick up your students. There are pews designated towards the back of the sanctuary for you to enjoy closing ceremonies. Thanks for allowing us to be a part of your children's lives!

# Men's Ministry

MANHOOD MONDAY happens in our Christian Activities Building on an odd-number date of the calendar (*for example, Monday, June 23, 2025 is our next gathering*).

We gather from 6:45 - 7:30 PM so that we can arrive from our work and have time afterwards for last things of our day. Our custom is to gather at round tables, tell the tales of life, and talk about the world of Biblical manhood. Each group has a leader - we all have questions.

*Manhood Monday - the one thing missing from Sunday church*

Our next MANHOOD RALLY is set for Saturday evening, August 2, in the Youth Building Cafe from 5:30 to 7:00.

We'll begin with pulled pork sandwiches from 5:30 to 6:00 and continue with pastor's interview featuring Trent Morgan.
